

# TruckDoorMinder™

## Included Components

Transmitter

Mounting  
Screws x2

Receiver  
& Plug

## Installation Instructions

### Installing the Transmitter

- Find a place to attach the transmitter to the uppermost part of the inside of the door. We recommend near the edge of the door to avoid damage.
- Use the provided mounting screws to attach the transmitter to the door.
- Ensure that the arrow on the label is pointed up when the door is closed.

### Installing the Receiver

- Plug the receiver into the charger plug.
- Plug the charger into your truck.
- Peel backing off adhesive and stick the receiver in an easily visible location.
- Open your door and test it out! The receiver light will blink and the buzzer will sound to alert you.
